

CEI3*, CEN
AND POLISH CHAMPIONSHIPS 2014

47-260 Zakrzów, ul. Parkowa 23, tel. 77 487 54 17, fax 77 487 53 64, e-mail: cei@kjl Lewada.pl, www.kjl Lewada.pl

ORGANIZER – LUDOWY KLUB JEŹDZIECKI 

Ludowy Klub Jeździecki „LEWADA” in Zakrzów (Polska Cerekiew commune) was established in 1991 and is a renowned and esteemed dressage club in Poland. Since 1996 „Lewada” has been placed among the very best riding clubs according to the Polish Equestrian Federation ranking. Every year several riders of our club are nominated to Polish National Dressage Team.

The LKJ "LEWADA" trainer, as well as the creator of its success, is **Andrzej Sałacki**, who as a rider has won twelve medals of the Polish Championships and has represented our country multiple times during the competitions abroad. As a first Pole he qualified to the World Cup Dressage Final. Moreover, he has also won the two World Championships medals in vaulting.

Especially well known and esteemed was Andrzej Sałacki's show without a bridle which he presented on Grand Prix level and gave a special performance at Winsor Castle for Her Majesty Queen Elisabeth II. Since 2008 Andrzej Sałacki is a board member of the International Dressage Trainers Club which associates the best dressage trainers from around the world. In 2012 Sałacki became a Polish Olympic Team Manager for London Olympic Games, where one of the Polish riders will be Beata Stremler – also a representative of “Lewada”

Residence of the club

Members of LKJ „LEWADA” team take part in the biggest competitions in Poland and abroad. Our competitors have won many medals at Polish Dressage Championships for many years.

LKJ "LEWADA" is an organizer of many prestigious sport and culture events. One of them is Lewada Art Cup – a riding competition for artists and celebrities accompanied by meetings of the famous people of culture, sport and business. The presence of so many renowned guests makes the Art Cup more and more popular amongst the media.

The club organizes also holidays for children, the courses for horseriding instructors and many other events connected with horses and riding. This year we have a privilege to organize CEI 3* for the second time, as well as the Polish Endurance Championships.

ZAKRZÓW – WHERE IS IT?

Zakrzów (47-263, Opole Voivodeship, Polska Cerekiew comune) is situated directly next to the road number 45 (Kluczbork-Opole-Racibórz), about 35 km from the exit of A4 highway. Therefore, the route from the cities of Lower Silesia, Upper Silesia and Great Poland is very convenient.

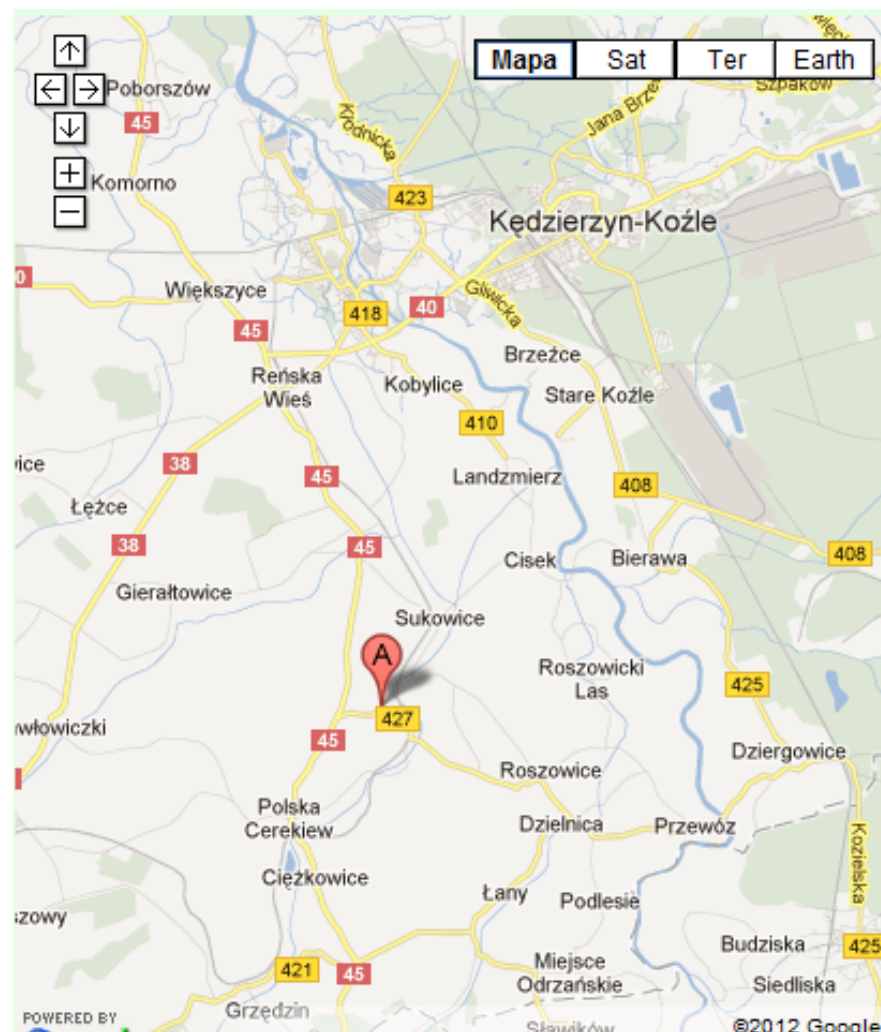

Be careful! In Opole Voivodeship there are three villages called Zakrzów – make sure that you are going to the right one.

SERVICE AND JUDGES

The computer service will be provided by **Harald Grinschl** (**Endurance Team Styria**) from Austria. Our international team of judges and vets will consist of: **Brian Dunn, Katarzyna Strzelec, Eulalia Michalik, Paweł Kleszcz, Grażyna Kańka, Wojciech Piekalkiewicz, Hallvard Sommerseth, Andrzej Bereznowski** and **Jacek Kańka**. Show veterinarians will be **Piotr Szpotański** and **Jarosław Rubersz**. **Krystian Anioł** will provide a farrier service.

In 2012 and 2013

We had a privilege to host competitors from countries: Austria, Bahrain, Czech Republic, Estonia, Finland, Germany, Hungary, Iran, Lithuania, Poland, Slovakia, Sweden and United Arab Emirates.

NEW

ROUTE

The route of the competition will go across the two communes: Polska Cerekiew and Cisek. Both of them are situated in the south-east part of Opole Voivodeship, in Odra's small affluent valley. The basic function of both the communes is agriculture. The area is almost forestless.

In this very picturesque area, the three loops have been marked out: red one **37,5 km**, yellow one **15 km** and blue one **20km (2x10)**. An altitude difference on the route is about 45m. Last year, the biggest loop 37,5 km gave competitors a possibility to achieve good time results, since about 10km of the loop runs along a straight, lawnly path next to Odra River. The rest of the changed route goes through lanes and the short lengths of asphalt roads.

All the places where the route crosses with asphalt roads, as well as the crew points will be secured by the Voluntary Fire Department from Polska Cerekiew and Cisek communes. The route was marked out and corrected by **Janusz Janowski, Marek Tul, Michał Kaźmierczyk** and **Virginia Buława**, who spent a lot of their free time for us.

START / FINISH, VET GATES, CREW POINTS

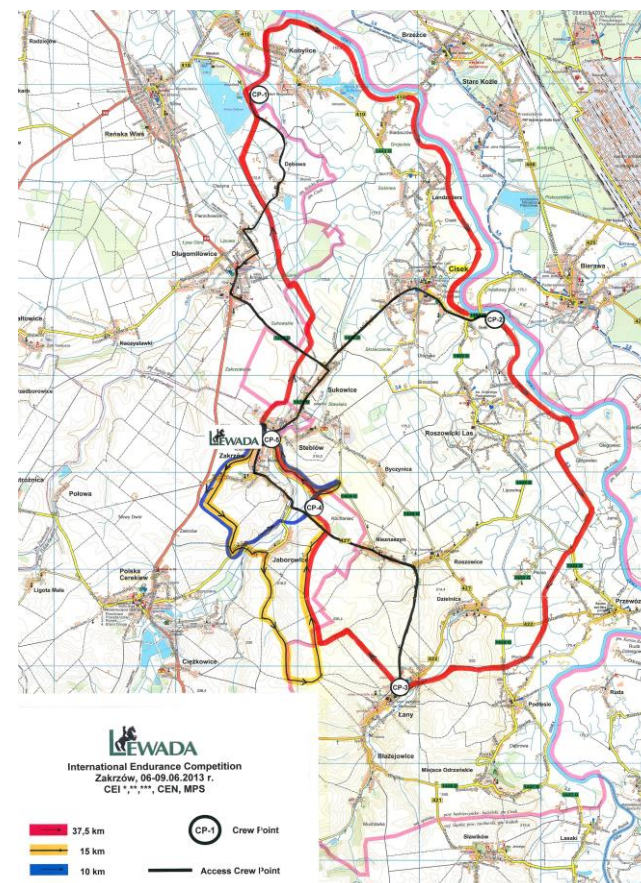

Start and finish will be situated closely to the stable (about 200m), as well as the crew point and vet gates. There will be also a bar which is going to be open from early in the morning.

Crew points:

37,5 km loop – 4 points

15 km loop – 1 point

20 km loop (2x10) – 1 point

Stable

Veterinary Inspection
